Quotes to Live by - Creation and the Creator

"Consider this: we could travel off of this planet in any direction at the speed of light, 186,000 miles a second, for a billions of years, and never begin to exhaust what we already know to exist. All of that rests in the palm of His hand. And it is this God who wants to fill us with His fullness" - Bill Johnson.

Allergies info - For the comfort of those with allergies, Park Avenue strives to be a scent-free church.

Washrooms are located on the lower level. An elevator is available.
