Quotes to Live by - World Missions

"More Iranians have become Christians in the last 20 years than in the previous 13 centuries put together since Islam came to Iran. In 1979, there were an estimated 500 Christians from a Muslim background in Iran. Today, there are hundreds of thousands - Some say more than 1 million. Whatever the exact number, many Iranians are turning to Jesus as Lord and Saviour" - Mark Howard
